

What's on at Apple Day?

Activities run 12 noon – 3pm and include:

- Apple pressing
- Children's games, including build and fly your own paper rocket
- Ask the Expert - bring some apples for identification
- Refreshments: WI hot drinks, cakes and crafts; St Anne's PTA sandwiches and cakes; Malcolm's Soup Shack and jacket potatoes
- Live music throughout the afternoon from Litton Band

New this year:

- "Guess the ingredients" specially created recipes by Max Fischer
- Hot drinks courtesy of Baslow WI

Competition Information

All winners will receive commemorative certificates

For adults

- A cake with vegetable connections
- A pastry with vegetable connections

For children

- Cupcakes with any vegetable flavour

Bring entries as early as possible.

Judging will take place at 2.30pm.

Prizes will be presented at 2.45pm.

Apple Juicing

This event is always very popular; bring as many apples as you can (minimum 2 kg) to juice using our apple press.

Please remember a few simple rules to help things run smoothly:

- Keep a close eye on children using the equipment, especially sharp knives
- Bring your own containers to take home the "fruit" of your labours, ideally 1 litre
- Freshly pressed juice will keep for 48 hours in a refrigerator
- If you wish to keep it longer, freezing is quite safe

If you have very large quantities of apples, these can be pressed later in the afternoon. Everyone is very welcome to borrow the press for home use – ask one of the Committee Members for more information.

Where to find us

The orchard is located in the “amenity ground” – an area of about half an acre, located off Over Lane.

If you are arriving by car, or on foot, then come up Over Lane and then walk up the footpath to the orchard.

How can I be part of the Orchard?

All Baslow residents are welcome to join the orchard group. If you are interested please contact:

David Dawson, Chairman
☎ 01246 582998

More information about the orchard and Apple Day is available on our website:
www.baslow-orchard.org/apple-day

About the Orchard

The Jubilee Community Orchard is 5 years old this year. From a small start we now have around 60 trees on site and on Over Lane, with an emphasis on older, traditional and local varieties. We believe we have examples of every apple originating in Derbyshire, as well as a number from Yorkshire and Nottinghamshire. We have also planted a number of damsons, plums and crab apples. Details of the varieties will be on the trees at Apple Day.

We also produce grafts from our trees. These are available for any Baslow resident on request, subject to availability.

The orchard contains a story circle for anyone to use.

ANYONE may pick the fruit as it ripens. Help yourself!

Baslow Jubilee Community Orchard

Invites you to join us for

APPLE DAY 2017

on 14 October

*at the Orchard, off Over
Lane*

12 - 3 pm
